FINANCIAL ARRANGEMENTS

Thank you for choosing Kenmore Dental. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of our mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options. Financial arrangements will be made at the time the treatment is scheduled. We regret we are no longer able to personally carry loans to patients over extended periods of time and still be able to provide high quality dentistry at reasonable fees.

- For patients with dental insurance, the uninsured portion is due at the time of treatment. We will be happy to bill your insurance for you and bill your credit card (Visa, MasterCard, American Express, and Discover) for the uninsured portion of your bill.
- For uninsured patients, all fees are due at the time of treatment. You may use cash, check or credit card.
(Visa, MasterCard, American Express, Discover).
- For fees exceeding \$500.00, you may pay ½ at the time of treatment and the other ½ in 3 monthly payments.
- For those who need extended payment arrangements, we offer CareCredit, a finance plan that offers interest-free loans for up to 12 months and low interest loans up to 60 months on approval of credit.

Regardless of any insurance that I may have, I understand that I am fully responsible for the full amount of fees and the financial arrangements agreed to in this matter.
